**REEF's Best Event EVER! Take 8 | March 10, 2025**

---

The Riverside Educational Enrichment Foundation (REEF) has proudly supported the Riverside Unified School District, enriching the education of our students, classrooms, and teachers. Thanks to the generosity of the Riverside community and local businesses, REEF has awarded over \$3 million in grants, empowering students and teachers to reach new heights.

We invite you to be a part of **REEF's Best Event EVER! Take 8**—a celebration of educational achievement and community impact. Held at the premier Fox Performing Arts Center on March 10, 2025, this inspiring evening will showcase student talent and innovative programs that REEF has brought to life.
